The position requires a detail-oriented individual who is adaptable and mechanically inclined. **Previous sign installation experience is required.**

Key Responsibilities:

- Install a variety of electrical and non-electrical signage, including channel letters, monuments, pylon signs, and digital displays
- Read and interpret CAD drawings, shop drawings, and installation instructions
- Operate cranes, bucket trucks, and power tools safely and efficiently
- Ensure compliance with safety standards, electrical codes, and company policies
- Troubleshoot and repair signs as needed
- Coordinate with project managers, fabrication team, and clients on-site
- Maintain accurate daily reports and communicate job progress

Required Qualifications:

- Active Washington State **Journeyman 04 Electrical License**
- Current membership in IBEW Local #46 or willingness to join upon hire
- Valid Washington State driver's license and clean driving record. Class B CDL preferred
- Field certification for welding or a willingness to get one
- Comfortable working at heights and in outdoor environments
- Strong commitment to job site safety and craftsmanship

Schedule:

Monday – Friday, 6:00 AM -2:30 PM (varies by job site; overtime may be required, and the Installer should expect to work nights, early mornings, and/or weekends when required).

Wage Range:

\$43.47 - \$48.30 per hour, in accordance with the IBEW Local 46 collective bargaining agreement and journeyman scale.

Union Benefits Include:

- Health, dental, vision, and life insurance
- Retirement/Pension plan
- Paid time off and holidays per union contract
- Uniforms and PPE provided
